OUR CALL AS A CONGREGATION

We are called to be a community of faith, a welcome table, that celebrates the rich diversity of its membership as it serves and honors the diverse cultural and ethnic nature of Los Angeles and surrounding communities. We are called to be deeply grounded in the Word and Witness through the power of the Holy Spirit, being a prophetic voice for justice, healing and transformation. We are called to manifest the love of Christ as we share our various sources of capital with the community as well as being a witness to God's reign through celebrative worship and care for one another.

WELCOME TO OUR GUESTS

We are delighted that you have chosen to worship with us today. We invite you to complete the Connection card located in the bulletin and place it in the offering plate at the time of the offering.

CONGREGATIONAL CONVERSATIONS: The Way Forward

Please join us today **Sunday, April 7** after Worship Service for our next series of conversations as we chart our way as a congregation. These conversations with couple our Coming to Terms with History and viewing it through the eyes of Christ and Reassessing Our Current Reality. We will revisit the exercises done in late 2014 to retell and celebrate the congregation's history, recognize a chapter "coming to a close", and deal with the feelings being generated by changes. With the data results and summary of where we are, we will also reassess where we are as a congregation in developing a game plan for a healthy church which will include the selection/call of the next pastor of the church.
